

As a result of the Courthouse closure, all Family Business Court sessions are cancelled. **Emergency petitions only** are to be filed through the Prothonotary's Office electronically via File & ServeXpress (<https://secure.fileandservexpress.com/Login/Login.aspx>).

Please contact the Prothonotary by phone at 717-299-8282 to notify them of your emergency filing or to address any problems with the filing process. The Court will review the petition and you will be notified how to proceed.
