

Pursuant to the Court Administrative Order dated March 18, 2020, the Lancaster County Courthouse is closed to the public except for limited emergency matters. The Prothonotary is operating with a limited staff. Our current hours are 9:00 am - 4:00 pm. If a document does not need to be filed, please consider delaying filing until normal operations have resumed. In the meantime, we will still process any filings received by mail or electronically via File & ServeXpress here:
